

Pricing & Plans Overview

Simple pricing tiers for HR teams and consulting firms, with flexible options for reports or full platform access.

| Simple Pricing. Serious Results.

Whether you're an HR team benchmarking benefits or a consultant serving multiple clients, we have a plan that fits your needs. No hidden fees, no surprises—just clean, verified data and the tools to act on it.

Every plan includes:

- Verified, manually validated data
- Enterprise-grade security
- Dedicated support from benefits experts

| Individual Reports

Perfect for HR teams running one-time analyses or consultants who need a single benchmark.

Individual Report – \$349 per report

Full benchmarking analysis with data participation

- Complete benchmark analysis
- Employer participates in dataset
- Detailed competitive insights

Market Report – \$749 per report

Market-level benchmarking without submitting data

- No participation required
- Market-level insights
- Essential competitive benchmarks

Platform Access

Unlimited reporting and analysis for consultants, agencies, and enterprise partners.

Regional – \$4,750/year

Ideal for boutique firms with a local focus

- Benchmark reports limited to one geographic region
- Up to 500 employers
- 5 user accounts
- Email support

Essentials – \$11,500/year

Everything consultants need to win and retain clients

- Unlimited benchmark reports
- Up to 1,000 employers
- 25 user accounts
- Priority email support
- Book of business analysis

Advanced – \$19,500/year

For growing firms that need more capacity and control

- Everything in Essentials
- Up to 5,000 employers
- 100 user accounts
- Custom filtering options
- Advanced reporting features

Enterprise – \$35,000/year

Built for national firms and larger consulting teams

- Everything in Advanced

- Unlimited employers
- 250 user accounts
- API access for integrations
- Dedicated customer success
